

Sinclair Broadcasting's recent decision to force their stations to air an anti-Kerry documentary prior to the upcoming election is clearly an abuse of the public airwaves. They use the public airwaves free of charge and are obligated by law to serve the PUBLIC interest - not their own political and/or corporate interests.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
